

**CITY OF PASADENA HEALTH OFFICER ORDER  
FOR THE CONTROL OF COVID-19  
AMENDMENT TO REVISED – SAFER AT HOME ORDER FOR CONTROL  
OF COVID-19 ISSUED ON MARCH 22, 2020, AND SUPPLEMENTS ISSUED  
APRIL 11 AND MAY 15, 26 AND 29, JUNE 11, 18, AND 28, 2020, AND JULY 1 AND  
14, 2020**

**This Order Issued: October 1, 2020**

**This Order is in effect as of 12:01 AM October 1, 2020 until rescinded in writing by the Health Officer.**

**Please read this Order carefully. Violation of or failure to comply with this Revised Order is a crime punishable by fine, imprisonment, or both. (California Health and Safety Code §120295.)**

**SUMMARY OF THE ORDER:** California is in a State of Emergency because of the COVID-19 pandemic. The spread of Novel Coronavirus (COVID-19) is a substantial danger to the health of the public within the City of Pasadena. COVID-19 can easily spread between people who are in close contact with one another. Everyone is at risk for becoming ill with COVID-19, but some people are more vulnerable to serious illness, including pneumonia and organ failure, or death, due to their age, physical state, and/or health status.

The City of Pasadena Health Officer (“Health Officer”) has issued a number of Orders to help slow COVID-19's spread, protect vulnerable individuals, and prevent the healthcare system in and around the City of Pasadena from being overwhelmed. The Revised Safer at Home Orders, dated March 22, 2020 and supplemented April 11 and May 15, 26 and 29, June 11, 18 and 28, 2020, and July 1 and 14, 2020 issued by the Health Officer, as well as other “Safer at Home” orders issued by other jurisdictions have proven to slow the spread of COVID-19.

**This order allows for the re-opening of nail salons indoors and at reduced capacity, consistent with modifications allowed through Tier 1 (Purple) of the Blueprint for a Safer Economy, issued by the California Department of Public Health (“CDPH”) on August 28, 2020.**

**UNDER THE AUTHORITY OF THE CALIFORNIA HEALTH AND SAFETY CODE SECTIONS 120175 et seq., AND THE PASADENA MUNICIPAL CODE SECTION 8.04.010, THE CITY OF PASADENA HEALTH OFFICER ORDERS:**

1. This Order allows for the re-opening of nail salons, at reduced capacity, in accordance with the Public Health Reopening Protocol for this sector (Nail Salons), found at: <https://www.cityofpasadena.net/covid-19/#guidance-faq-protocols>. Nail salons are still encouraged to provide outdoor services as much as possible because current scientific evidence appears to indicate a general lower risk of COVID-19 transmission outdoors, compared to indoors. This Order **does not** allow for the re-opening of other personal care services such as body waxing or tattoo parlors.

2. This Order is consistent with modifications allowed through Tier 1 (Purple) of the Blueprint for a Safer Economy, issued by CDPH. This Order amends the March 22, 2020 Revised Safer at Home Order, as supplemented April 11 and May 15, 26 and 29, and June 11, 18, and 28, 2020, and July 1 and 14, 2020, to the extent it re-opens a previously closed sector. With the exception of the re-opening this sector as ordered herein, nothing in this Order shall be construed as superseding prior Orders of the Health Officer.
3. This Order's intent is to continue to ensure that City residents remain in their residences as much as practicable, to limit close contact with others outside their households in both indoor and outdoor spaces. All persons who can telework or work from home should continue to do so as much as possible during this pandemic. Nothing in this Order prohibits members of a single household from engaging in activities together, but gatherings of people who are not part of a single household or living unit are prohibited within the City of Pasadena Public Health Jurisdiction, except for the limited purposes expressly permitted by this Order.
4. People leaving their residences as permitted by this Order must strictly comply with physical distancing measures, including: maintaining six feet or more of distance between individuals from different households, frequently washing hands with soap and water for at least 20 seconds or using hand sanitizer that contains at least 60 percent alcohol, and wearing a cloth face covering over the nose and mouth whenever there is or can be contact with others who are non-household members in both public and private places, whether indoors or outdoors.
5. This Order applies to all persons within the City of Pasadena under the Health Officer's jurisdiction.
6. Violation of this Order is a misdemeanor punishable by imprisonment, fine or both under California Health and Safety Code Section 120295. This Revised Order will be enforced by the City of Pasadena Police Department, City Attorney/City Prosecutor's Office, and/or any other agency designated by the Pasadena City Manager for enforcement.
7. If any subsection, sentence, clause, phrase, or word of this Order (or any other prior Order) or any application of it to any person, structure, gathering, or circumstance is held to be invalid or unconstitutional by a decision of a court of competent jurisdiction, then such decision will not affect the validity of the remaining portions of this Order (or any other prior Order).

**IT IS SO ORDERED:**
